

EXAMINER'S REVIEW OF
PROVINCIAL MARKETS

Calgary, December 24th.

Money—
Another advance in premium on U.S. money, now 18 pc.Cattle—
Receipts at Calgary yards have been light during the week, and compared with last period the quality is lower. All beef prices lower, with top steers \$7.00 to \$7.50; good butchers, \$6.00 to \$7.00; medium, \$5.00 to \$6.00; common, \$4.00 to \$5.00. Fat cows also lack quality and lower, with tops \$5.25 to \$5.75; good butchers, \$4.50 to \$5.25; medium, \$4.00 to \$4.50; common, \$3.50 to \$4.00; canners, \$3.00 to \$3.50. Some good bulls offered and rail prices somewhat, but most of choice ones \$4.00 to \$4.50, with tops up to \$5.50; common, \$3.50 to \$4.00. Calves unchanged, with tops at \$5.00 to \$7.25; common, \$3.00 to \$5.50. Trade in stockers and feeders slow, with some heavy steers going out at \$5.00 and ranging down to \$5.25, with stocker steers \$4.25 to \$5.00. Very little trade in stocker heifers.

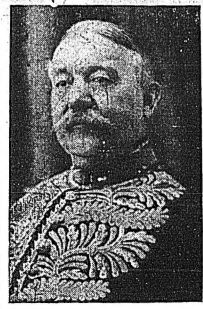

Light receipts at Edmonton kept beef prices fairly steady, with the choice steers selling from \$7.00 up; good butchers, \$6.50 to \$7.00; medium, \$5.50 to \$6.25; common, \$4.00 to \$5.50. Choice cows from \$5.50 up; good butchers, \$5.00 to \$5.50; medium, \$4.50 to \$5.00; common, \$3.50 to \$4.00. Bulls have been a little higher, with the best \$3.75 to \$4.25. Calves are unchanged with the best, \$7.00 to \$8.25. There is a good demand for feeders and stockers, chiefly from the eastern districts, with feeders \$6.00 to \$6.50; and stocker steers \$4.50 to \$5.50. Yards are cleaned up well.

Hogs are higher and the western market is again topping the eastern Canadian quotations. There have been steady increases with the sales at Calgary on Thursday up to \$16.00. There were only a few in his morning, and they sold at \$15.00. Edmonton expected more hogs than are coming in, and prices are advanced, with sales on Thursday at \$15.00, and at some of the plants a premium offered.

Sheep—
Receipts at Calgary have been much lighter this week, and prices holding fairly steady, with wethers \$7.00 to \$8.00 and a few \$8.25; ewes, \$6.00 to \$7.00; lambs, \$7.00 to \$10.75, with few lambs offered. At Edmonton, there is a light movement; also to the killing plants or back to the country. Top lambs are quoted at \$10.00; wethers, \$7.50 to \$8.25; ewes, \$6.50 to \$7.50.Grain—
With the passing of the new U.S. tariff on grain imports, the grain market strengthened yesterday, and the wheat especially has been more buoyant. Whether relative values between American and Canadian grains will be maintained or not is something for the future to show.Produce—
Alberta prices on turkeys during the week rose with unexpected demand from American and Canadian coast buyers, but this flurry is over now so far as general buying is concerned, and prices are getting back to normal again, though some dealers are still temporarily quoting fancy prices for birds to fill orders. Fowl and chickens also temporarily higher, at 11c to 12c on fowl and 12c to 15c on chickens. Turkeys are again quoted worth 30c to 31c with possibilities of a premium and dressed at 35c to 40c. Dairy butter slow except on fancy and good table stock, with the latter worth up to 45c, and straight receipts 30c to 33c. There is profitable market for creamery butter, and though prices are unchanged, market is dull. Cream holds unchanged, with a lot of frozen cream coming in. Eggs scarce, and jobbers saying \$24.00 for fresh eggs and selling storage at \$20.50, select. Potatoes dull and prices unchanged, with no movement from country. Carrots and cabbages easier, with market dealers paying \$2.00 per cwt.

Late shipments of poultry glutted the Edmonton market, and prices are uncertain and lower this week. Fowl 11c, chickens 15c, turkeys 25c, geese 18c, ducks 20c. Storage eggs at Edmonton are being cleaned up quickly; fresh quoted \$22.50 to \$24.00. Local consumption is taking up most of the creamery butter, but lower outside markets are uncertain, and lower prices are anticipated. Cream production is unexpectedly high, and country point quotations on specials 45c; 42c for No. 1, and 39c for No. 2. Creamery butter in cartons is wholesaling at 58c. There is a wide spread on dairy butter, with straight receipts all the way for 20c to 30c, fancy dairy will, on the other hand, bring up to 50c.

Market still slow and country point buying prices lower, with dealers quoting \$14.00 to \$15.00 on specials and (timothy), \$21.00 to \$23.00 at shipping point.

Hides—
Beef hides remain unchanged, with butcher hides 4c and green and frozen 2 1/2c to 3c; kip skins, 3c to 4c; calf skins, 5c to 6c. Sheep skins are badly down again, and now 15c to 25c.Furs—
No change in price list issued last week. St. Louis sale, which was to start this week, was cancelled, owing to poor prospects. Dealers are trying to keep off the market until manufacturers are ready to buy at reasonable prices.Wool—
All markets very low, and very little Canadian wool sold recently.IS RE-APPOINTED
LIEUT.-GOVERNORDR. R. G. BRETT,
Of Banff, who will continue as the representative of the king in the province of Alberta for another four years.DR. R. G. BRETT IS
RE-APPOINTED AS
LIEUT.-GOVERNOR

Ottawa, December 15.—The Ottawa Citizen announces that Hon. Dr. Brett has been re-appointed lieutenant-governor of the province of Alberta for another term. His tenure of office expired last October, but he has carried on in the meantime. The appointments for British Columbia, at Calgary on Thursday up to \$16.00. There were only a few in his morning, and they sold at \$15.00. Edmonton expected more hogs than are coming in, and prices are advanced, with sales on Thursday at \$15.00, and at some of the plants a premium offered.

MR HARDING'S CONTRACT

The United States president-elect is engaged on a heavy task. In consultation with many advisers he is laying the foundation of a new league of nations to take the place of the one which he has consigned to the scrap heap. Mr. Harding sees the necessity of an international association of the establishment and maintenance of peace and justice. He condemns the one which President Wilson commended to the United States, and which has been accepted by more than forty nations. It becomes, therefore, his task to draft a better one, and then to persuade the other nations to discard the Versailles covenant and adopt the new plan. The new covenant must unite the nations together by some bond of union and co-operation and leave them free to refuse co-operation. It must have power to coerce without the use of force. It must do a great many other things without doing something else. From now till March the next president will be kept busy preparing this new and improved charter of freedom and justice.—Vancouver Province.

WOMEN IN POLITICS

The women-electors of the United States are already making their influence felt. Representatives of national women's organizations, who claim they represent 10,000,000 voters, have started a campaign to create a new department of public and social welfare, and are asking that a portfolio be created in the cabinet with a woman at the head of it. A lobby is being organized at Washington and the women may compel the new president-elect to recognize their claims.

With women now having the full franchise in Canada it can be taken for granted that it will not be long before they not only take their place in parliament, but will be privy councillors. Alberta has two women members of the legislature; Manitoba elected a woman last election, and British Columbia, in the campaign just closed, re-elected Mrs. Ellen Smith for the second time and at the head of the poll in Vancouver. At a Liberal gathering of rejoicing several days later Premier John Oliver in his enthusiasm greeted "Mary Ellen" with a hearty kiss to the amusement and delight of the crowd. There are recompenses for women in politics. An intimation was also made that she might be taken into the cabinet.—London Free Press.

DR. MICHAEL CLARKE
LAUNCHES AN ATTACK
AGAINST PROTECTIONAlberta Speaker of Opinion That
High Tariff is Cause of Many
Industrial Ills.

Saskatoon, December 18.—The National Progressive Party meeting held here last night, at which Dr. Michael Clarke, M.P. of Red Deer, Alberta, was the principal speaker, was attended by over 600 people. Mr. Clarke said a protected industry had to be protected with money drawn from another industry. Agriculture was an unprotected industry although it employed 48 per cent of the population of the country. Protection could do nothing for agricul-

ture which drew its returns from the open markets of the world.

Protection impoverished the country by artificially driving too many into a set line of production. Protection did not increase the population. Between 1881 and 1891 there had only been an influx of half a million into the country. Between 1901 and 1911 when there were some reductions in the tariff there had been an influx of 2,000,000. Merchandise was paid for with merchandise, therefore the free entry of goods meant abundant exportation. Protection would not cure unemployment or there would not be a bread line in the midst of plenty as there is at Regina at this time. Neither did it bring up wages, for the lowest wages paid North America were those in her highest protected industry, the woolen trade. Protection caused harm to shipping, which was dependent on both outbound and homebound cargoes. It altered the distribution of wealth to the detriment of the poor. Dr. Clark said Premier Meighen had boasted of his cruelty to those with incomes from \$100,000 to \$200,000 but he said nothing about incomes of \$50,000. The government had pledged the last man and the last dollar. The last man had been given, but certainly not the last dollar—with a 10 per cent increase tax brought in three years after the beginning of it all.

LARGER GRANTS
FOR EDUCATIONAL
PURPOSES WANTEDHow Much Additional Can Be Spared
Will Be Question to Be Settled
Shortly.

Edmonton, Alta., December 21.—How much money the province of Alberta can allow for educational purposes is likely to be one of the questions coming up at the next legislature. Larger grants from the provincial treasury are desired by the cities, and there is also a demand for increased schooling facilities in the country parts.

That there will be some increase over the last estimates is taken for granted, but it is thought to be hardly likely that it will be as large an increase as the school boards throughout the province would wish. The government is not likely to have the money.

In the ordinary course, an advance of about \$100,000 over the preceding year's estimates would be made, and the question now is whether any excess over this annual raise can be made for 1921.

SCHOOL GRANTS
Inquiry at the department of education offices brings out the fact that the Alberta educational officials are not at all excited about the movement to increase school grants in Saskatchewan. That province is claiming now to be in advance of all the provinces in Canada, by reason of its generous support of elementary education. Five-room schools in Saskatchewan will be able in future to earn \$2,335 per year in grants, which is understood to be some \$500 in excess of the Alberta figures. The one and two-room school grants in this province still compare more than favorably, however, with those in the sister provinces. It is pointed out that Saskatchewan is able to make these larger grants for educational purposes because it has a supplementary revenue tax for the use of schools, while Alberta derives its entire government aid from the general revenue without any special tax.MONEY EXPENDED
The 1920 appropriation for school grants in Alberta was \$945,000, and it is stated that this entire amount will have been spent by the end of the year. With the same voted for the university, Normal schools and technical education and other purposes, the total school expenditures for the current year were \$1,825,000.

Some additional revenue will be coming in from the sale of the interest on the proceeds of the recent sales of school lands. About \$102,450 per year will be available from this source, the Dominion government paying the province 5 per cent. interest on the total sum realized from the lands sold last month. This will go into the general reserve, however, and will not necessarily be added to the present estimates for educational purposes, though the legislature may decide so to apply it.

THE BEST TURN FRIEND EVER DID

That is What Vancouver Man Says After Taking Tanlac on Friend's Advice.

"Tanlac fixed me up more than a year ago, and did the work so thoroughly I have been feeling fine ever since," said Richard Paskon, of 656 Pender Street, East, Vancouver, B.C., employed by the Marine Shipbuilding Co.

"I had a bad form of stomach trouble, and while my appetite was good everything I ate disagreed with me. I lost weight and strength every day, and had so many attacks of smothering and fluttering of the heart I was told I had heart trouble. I lived in dread of the future, for my condition seemed hopeless.

"I had a sharp, cutting pain right across the small of my back, and if I stooped over to pick up a wrench from the floor it would hurt me to straighten up so that I would actually groan with agony. What little sleep I got didn't rest me, as I was rolling and tossing most of the night.

"A good friend persuaded me to try Tanlac and that was about the best turn a friend ever did me. It certainly was a big surprise the way Tanlac knocked out my troubles. It did a hundred per cent. job, for it made me a healthy, strong man, and I have been this way ever since.

"I am eating anything, sleeping like a log, and haven't a pain or an ache of any sort. That's what three bottles of Tanlac did for me, and that is why I am recommending it every chance I get."

Tanlac is sold in Red Deer by Gaetz-Cornett Drug & Book Co., and by the leading druggist in every town.

INFORMATION of cattle estray, branded easy J on left neck, mostly yearlings, will be greatly appreciated by A. T. Jones, Box 611, Red Deer. Dec. 22, 1934

METHODIST S. S. CHRISTMAS TREE

The Sunday School Christmas anniversary at the Methodist church on Wednesday evening was one of the most successful ever put on by the school; one of the most gratifying features of the evening was the large number of pupils who took part in the programme, outside of the regular school Christmas choruses, and the large number of parents and friends present greatly appreciated the work of pupils and teachers, while the juniors had a royal time. Superintendent R. Crummy presided. At the close, Santa Claus (Mr. Linton Gaetz) made distribution of two hundred bags the Christmas tree being perhaps the largest and most brilliant put up by the energetic Secretary, Mr. Porter. The following contributed to the programme:

Choruses by the School.
Prayer by Rev. Mr. Armstrong.
Recitations by Norman Kee, Hartwell Bennett, Clifton Porter, Myrtle Hadley, Lillian Carsenden, Trimble, Juanita Gaetz, Marion Stephenson, and from the Primary Class Norma Rainey, Billy Payne, Irene Hamby, Eleanor Parsons, Frances Payne.
Choruses by Mrs. McLeod's girls, Mrs. Dawson's girls, Mrs. Seanecke's senior girls.
Pantomime—Taking the Family Picture—Mrs. Galbraith's boys.
Dialogue by Mrs. Trimble's boys, and by three girls and three boys from Mrs. Dawson's and Mr. Galbraith's classes.
Drill by Mrs. McGregor's class.
Piano Solo—Irene Hoskin.
Duet by Ronald and Donald Dale.
Song by Margaret Johns, Primary class.

There were some very pretty numbers on the programme, the boys taking more of the programme than usual, and doing it well. Special thanks are due to Mrs. Seanecke, Mrs. Dawson, Mrs. F. W. Gaetz, Mrs. Bennett, Mrs. Porter, and others who helped in the training.

PRESBYTERIAN SUNDAY SCHOOL XMAS TREE

The Christmas tree in Knox Church on Wednesday evening was a great success. The church was filled to the doors with parents and other friends, and the children carried out a programme that was a credit to themselves and to those who were responsible for their training. The teachers of the different classes assumed charge of their own classes, and this proved to be the right method. The choruses were chiefly in charge of Mrs. Pyto and Mrs. Brown, and it was a treat to hear the little tots sing. Boys being naturally full of energy, Cliff Malcolm's bigger boys, and Miss Martin's smaller boys, gave a most amusing and genuine boy performance. The drills by the girls' classes were splendidly taken, while the dialogues, especially that by Mrs. Weston's class with Dorothy Nelson as Queen, were most interesting.

Santa Claus was there, and if possible was jollier than ever to the great delight of the juniors. The following is the programme, and if it had to be repeated, not one number would be omitted:

Chorus—"The Star Light Still Glows Over Us."
Recitation by Austin Nelson.
Recitation by Billie Trueman.
Song—"Silent Night," by Mrs. Baynes' class.
Recitation by Preston Wright.
Recitation by Lorraine Gehrk.
Recitation by Georgie McEwan.
Dialogue—"The White Queen's Court," by Mrs. Weston's class.
Maiden Song (boys) by Miss Martin's class.
Recitation by Evangeline George.
Recitation by Edgar Nelson.
Dialogue by Miss McArthur's class.
Song—"Through the Night," by Mrs. Baynes' class.
Recitation by Betty Lynmark.
Recitation by Catherine Gibson.
Dialogue (boys) by Cliff Malcolm's class.
Song—"Lullaby," by Mrs. Irish's class.
Recitation by Jack Graham.
Recitation by Katherine McPherson.
Dialogue by Mrs. Moyes' class.
Recitation by Doris Forbes.
Song—"Motion Song," by Mrs. Baynes' class.
Recitation by John Solomon.
Recitation by Elva Malcolm.
Song—"Bethlehem's Lullaby," by Mrs. Moyes' class.
Dialogue—"When We Grow Up," by Mrs. Weston's class.
Recitation by Lillian Nichols.
Recitation by Lenora Baynes.
Recitation by James Nelson.
Song—"Love's Sweet Song," by Miss McArthur's class.
Dialogue by Mrs. Burnett's class.
Japanese Drill by Mrs. Moyes' class.
Closing chorus—"Ye Belia."

NAZARENE S. S. ENTERTAINMENT

All roads led to the Nazarene church on Monday evening, as it was the occasion of their annual Christmas entertainment, given by the Sunday School. The church was prettily decorated for the occasion with the usual Christmas busting, and not forgetting the dear old Christmas tree. Long before the announced opening time it was easily to be seen that the seating capacity of the church was going to be put to the test. Sure enough by 8 p.m. there was not even standing room, and still the folks were seeking admission. The house was called to order by Mr. Wm. Anthony, Sunday School Superintendent, who occupied the chair, at 8 o'clock. The congregation sang "Joy to the World," then the pastor, Rev. A. C. McCall, led in prayer, followed by the chairman's remarks who, in the course of same, extended to one and all a very cordial welcome, and expressed the hope that not one would leave the house with the least shadow of a regret that they had come to be entertained by the children and others who had kindly consented to assist in the programme.

The following programme was rendered:

Opening Chorus—"Open the Gates of

Heaven" by the school.
Recitation—"Merry Christmas" by Gladys Johnson.
Recitation—"Every Week" by Leonard Sheline.
Song—"I Love the Little Stranger," by four girls.
Recitation—Selected, by Mildred Hugst.
Recitation—"The Reason Why," by Doris Willson.
Recitation—Selected, by Irene Metcalf.
Male Quartette—"The Little Brown Church," by Joyce Blair.
Recitation—Selected, by Joyce Blair.
Recitation—"A Greeting," by Jeanie Anthony.
Recitation—Selected, by Alton White.
Recitation—Selected, by Mabel Taylor.
Exercise—"Which is Best," by Leonard and Rena Sheline.
Song—"Swing Out Your Berries," by Girls' class.
Recitation—Selected, by Miss Jessie McLean.
Recitation—"Christmas Stocking," by Olive Wright.
Exercise—"A Glad Word," by five boys and four girls.
Recitation—Selected, by Bruce Cox.
Song—"Can We Hear the Song," by Wm. Anthony.
Dialogue—Selected, by Charlie and Angus McLean.
Musical Selection—Nazarene March, by Miss Kidwell and Rev. Metcalf.
Taberna—"Nearer, My God, to Thee" by six girls.
Recitation—"The First Christmas," by Roy Hugst.
Recitation—"Silas of Christmas," by Clifford Metcalf.
Duet—Selected, by Misses Jean and Muriel Willson.
Male Quartette—Selected.
Recitation—"The Three Kings," by Harold Hugst.
Musical Dialogue, by Edith Hill.
Dialogue—"The Postmaster," by ten boys.
Song—"Awakening Chorus."
Recitation—"Come Again," by Earl Stewart.

At the conclusion of the programme, the children were treated to a well filled stocking of candies, nuts and fruit. Everybody expressed themselves as having thoroughly enjoyed themselves, and the entertainment was drawn to a close by the congregation singing and singing "Praise God From Whom All Blessings Flow."

HIS LIFE RUINED BY DYSPEPSIA

Until He Tried "FRUIT-A-TIVES" The Wonderful Fruit Medicine

MR. FRANK HALL

Weyburn, Ontario.

"For some two years, I was a sufferer from Chronic Constipation and Dyspepsia.

I tried every remedy I heard of without any success, until the wife of a local merchant recommended 'Fruit-a-tives'.

I procured a box of 'Fruit-a-tives' and began the treatment, and my condition commenced to improve immediately.

The Dyspepsia ceased to be the burden of my life as it had been, and I was freed of Constipation.

I feel that I owe a great debt to 'Fruit-a-tives' for the benefit I derived from them."

FRANK HALL.

Box a box, 5 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

Rev. Mr. Finn, of Vegreville, spent Christmas with Mr. and Mrs. T. S. Miller.

Selections from "Maid of the Mountains" at the New Year's eve ball in the Armouries.

The regular business meeting of the I.O.B.E. will be held in the public library on January 7th, instead of the 11th.

Mr. and Mrs. A. G. Ayres, Miss Ayres, and Mr. Woods, of the Imperial Bank staff, spent their Christmas with Mr. and Mrs. Chris. White, of Clearview.

H. C. Willson, of the Union Bank, Swallow, Alta., spent his Christmas with his brother, H. Willson, and Mrs. Willson, in Red Deer.

Captain German and "Wop" May, of Edmonton, are reported as being on their way up from New York with two mammoth airplanes which are to be used in the north country by the Imperial Oil Co.

Harry Evans came in from the north on Friday to spend the holidays in the country with his relatives. Harry is not attending university this winter, but has been in business in the Camrose district.

Del. Garland, of Lacombe, paid the city a visit on Thursday last, and seemed doubtful if he would be in the hockey game this year, but thought there was enough material in Lacombe to raise a good team.

Len Huskins paid us a call on his way to Calgary for the holidays last Thursday. He is taking a course in agriculture at the University of Alberta now. Len has joined the Canadian Air Force and expects to take a month's training in the spring.

Misses Hilda, Mildred and Doris Pyke were all home for the holiday. Misses Hilda and Mildred from Calgary, and Miss Doris from her school near Olds. Miss Nelson, of the High School staff, Medicine Hat, is also visiting with Mr. and Mrs. Pyke over the holiday.

Miss McIntyre, the genial head of the Brumpton & Co. dry goods department, has resigned her position, and leaves for her home at Revelstoke on the new year. Miss McIntyre's many friends will be pleased to know she will return to Alberta after a month's rest and will take a similar position not far from Red Deer.

Miss Harrop, of the High School staff, left for her home in Calgary on Friday. A large number of her teachers and friends were at the train to wish her good luck. Miss Harrop is receiving a better position in Calgary, and although she will be missed by her associates here, they all offer congratulations.
